

DAILY TRUTH AND AFFIRMATION

When I am focused on what I don't have, and what I can't do, God has nothing to work with! I must bring him what I do have and what I can do, and He will multiply it. God prospers me. I do not prosper me. He takes care of my needs for no other reason than He loves me. One of His names is Jehovah Jireh, which means, "God will see to it." So, whatever I need, I can be sure God will supply it because that's Who He is.

What do I have and what can I do? I will bring God myself, and give Him my life daily in praise and worship. I will recognize Him and exalt Him and speak HIS word and not the word of the world. I have a voice to worship with, to sing with, to encourage others with. I have a mind with which I can choose to agree with God and what He says about me and others. I have a will that I can use to stand against the assignment of the enemy who tries to define my identity and a will to resolve that only the Lord Jesus Christ has the authority to define my identity. My identity is not in what I can do, it is in what HE can do through me.
